

Name: Finnish 1
Code: KSUO1001
Credits: 2 ECTS
Learning outcomes:
Start: 0
Aim: A1.1

Upon completing the course, students will be able to communicate in spoken and written Finnish in everyday situations. Participants will be able to introduce themselves, discuss everyday events, and ask relevant questions. Students will also be able to understand and use everyday vocabulary.

Content:

Course participants practise everyday communication situations and learn commonly used vocabulary.

Implementation methods:

This course is taught online. It is equivalent to 20 teaching hours and 54 hours of student work in total.

Study and assessment methods:

To pass the course, students must participate actively, complete all exercises and assignments provided during lessons and on the Moodle platform, as well as take a written and/or an oral exam at the end of the course.

Grading scale: 0–5

Prerequisites: No prior knowledge of Finnish required

Learning materials: Literature and study materials as instructed by the teacher

Further information:

The languages of instruction are English and Finnish.

The course has been renamed and is identical in content to the Finnish as a Foreign Language 1a course taught in previous academic years.
