

Opintojakson nimi: Finnish 3

Koodi: KSUO1003

Opintopistemäärä: 2 op

Osaamistavoitteet:

Start: A1.2

Aim: A1.3

Learning outcomes: Upon completing the course, students will be able to communicate in everyday life situations, in both spoken and written Finnish. Participants will be able to communicate about travel, sickness and health, leisure and hobbies, and will be able to actively use vocabulary related to these topics.

Opintojakson sisältö:

Course participants practice and expand their vocabulary related to travel, sickness and health, and their free time and hobbies.

Lisätiedot:

The language of instruction is Finnish; English may be used as an auxiliary teaching language.

The course has been renamed and is identical in content to the Finnish as a Foreign Language 2a course taught in previous academic years.

Toteutustapa:

This course is taught online. It is equivalent to 20 teaching hours and 54 hours of student work in total. A written exam is held either in Vaasa or anywhere in Finland (in an EXAM room), depending on the implementation method. An oral exam is held either in Vaasa or online, depending on the implementation method.

Suoritustapa:

To pass the course, students must participate actively, complete all exercises and assignments provided during lessons and on the Moodle platform, as well as take a written and/or an oral exam at the end of the course.

Arviointi:

Pass/Fail

Esitietovaatimukset:

Previous studies Finnish 1 (formerly Finnish as a Foreign Language 1a) and Finnish 2 (formerly Finnish as a Foreign Language 1b) or equivalent skills.

Oppimateriaali:

Literature and study materials as instructed by the teacher.
