WORK EXPERIENCE

10/2025 -> Project Manager at University of Vaasa (<https://www.uwasa.fi/en>)

I work as a project manager at the University of Vaasa's Preparedness and Resilience Research Platform (PREP). My responsibilities include applying for project funding, planning and implementing research projects, organizing events, and handling other administrative tasks related to the research platform.

09/2024 -> 09/2025: Evaluation Consultant (self-employed)

I have worked as an evaluation specialist in assignments related to evaluation and project preparation in the public and third sectors. My tasks have mainly involved data collection and analysis, conducting and analyzing surveys and interviews, as well as reporting.

06/2020 -> 06/2024: Evaluation Specialist at Frisky & Anjoy (www.frisky.fi)

As an Evaluation Specialist I take part in designing and implementing strategic evaluation projects related to development and innovation policies usually related to the public and third sector organizations. Among other things, my tasks include desk analysis of relevant documentation, design and implementation of interviews, surveys and workshops, and reporting. Additionally, I've participated in project sales and general office work (incl. maintenance of company's website and social media profiles).
