

PERMISSION TO RECORD THE EXAM SITUATION

There is electronic surveillance in the exam room where examinations requiring special arrangements are organized and the exam situation is recorded. The recording will be stored for 30 days, after which it is destroyed.

If there is reason to believe that cheating has occurred in the exam, the recording can be used in solving the matter. In such a case, the recording may be stored for more than 30 days.

I _____, _____
Student's name Student number

give permission for the recording of the exam situation every time I take the exam in the exam room.

Place and date

Signature

A legal notice on the personal register, which is available from the Registrar of the University of Vaasa, has been written regarding the recording electronic surveillance.
