This info material includes:

1. General information
2. Detailed course schedule

1. General information

- The course sessions are mandatory to all participants. The course work will be carried out with the help of the PitchBook database. The course participants will have access to PitchBook only for the time of the summer school, i.e. 26.08.-30.08.2024. **The number of licenses is limited and will only be accessible when participants are on the campus.** Thus, the sessions marked "team work + coaching" enable the participants to work on the given course individual and team assignments.
- The lunches are free of charge for the participants.
- The social activity on Tuesday evening (27.8.) and Friday afternoon (30.08) are optional and free of charge for the participants. Please confirm your participation in the social activities AND eventual dietary requirements *AS SOON AS POSSIBLE* via <https://link.webropolsurveys.com/S/6EAD4E2CB13C1398> The survey will be closed on Friday 23rd of August 2024 at 12:00.
