

Welcome to the new Study Guide for University of Vaasa!

You can find the [Study Guide](#) at

opas.peppi.uwasa.fi

These instructions help you find curriculum and course information in the Study Guide.

1. Select English as language
2. Welcome section displays current events and news related to studies
3. Sidebar menus show the different categories courses are divided in
4. Menus on top of the page take you to the University web pages and useful tools.
5. You can use [Search](#) to find courses, modules or programmes.

The screenshot shows the University of Vaasa Study Guide website. Red circles highlight the following elements:

- The search bar in the top left sidebar.
- The top navigation menu, including links for "University of Vaasa", "Old study guides", "Student's tools", "WebOodi", "FI", and "EN".
- The "Welcome" section in the main content area.

The main content area features a large yellow and white geometric pattern with the text "Study Guide" in the center. Below this, the "Welcome" section contains the following text:

This study guide contains the curricula of all teaching at the University of Vaasa and information on the teaching plans for the academic year 2020–2021.

To support your studies and study planning, please check out [student tools](#). There you will find e.g. contact information for education services and school-specific guidance.

Check out the [university organization](#). Education and research leading to a degree are organized in [four Schools](#). Teaching is also given at the [Language Center](#), the [Open University](#) and the [Graduate School](#).

Please note that there may be changes to the fall 2020 teaching arrangements. Information on teaching arrangements will be updated in the Course Units -section of the courses during August.

Current information on the impact of the coronavirus pandemic on studies and the organization of studies can be found here univaasa.fi/en/news/koronaviruksen_vaikutus_opiskeluun/.

6. To find your degree programme, select the right category, e.g. Master's Programmes and then your programme of choice.

The screenshot shows the University of Vaasa Study Guide website. The navigation menu on the left includes: Welcome, Degree Studies, **Master's programmes** (circled in red), Doctoral Programmes, Communication and Language Studies, Modules, Minor Subjects and Other Studies, Courses for Exchange Students, and Open University. The main content area is titled "Study Guide" and "Master's programmes". A list of Master's programmes is displayed, with the first one, "Master's Programme in Finance, Master of Science (2 years)", circled in red.

7. First, you see a general description of the degree programme, and in the same view, you can open the curriculum for the academic year.

The screenshot shows the detailed page for the "Master's Programme in Finance, Master of Science (2 years)". The curriculum for the academic year "Finance, Master of Science (120 ECTS) 2020-2021" is circled in red. Below the curriculum, the "Study Objectives" section is visible, stating: "By the end of the master's degree in business studies, students will be able to:" followed by a list of objectives:

- **Knowledge of the discipline:** demonstrate a solid knowledge of the core theories in their discipline and apply their research findings in practice and/or decision-making
- **Academic skills:** analyze research gaps in their field, apply suitable research methods to address the identified research problems and identify avenues for future research and/or innovations
- **Communication skills:** communicate effectively using digital communication tools and communicate effectively in written form Interpersonal skills: effectively work in teams and utilize received feedback in self-reflection
